Jessica explores her childhood favourite, the first of Philip Pullman's 'His Dark Materials' trilogy. Initial Impressions. The original cover of Northern Lights immediately captures the reader's attention, from the "alethiometer" on the front to the icy blue landscape behind it. The title and image draw the eye, with the author name sitting at the top, slightly out of the way so as not to detract from the overall cover. Sun, 11 Nov 2018 06:37:00 GMT Book Review: 'Northern Lights' by Philip Pullman - Writer ... - With skilled distillation, Vida evokes a culture on the brink of extinction and a legacy of loss as her anxious yet adventurous protagonist throws herself on the mercy of strangers in an otherworldly realm of deep cold, hard drinking, a hotel constructed of snow and ice, the northern lights, and long memories.
